Real Control. Real Convenience. Real Customization.

IT'S YOUR CARD, YOUR ACCOUNT & YOUR WAY.

With Santmyer Commercial Fueling you get customized and controlled fueling. You can set controls and limits on fuel, users, amounts, fueling locations, and frequency of use. Just tell us who, what, where, and when. We'll set up your fueling account your way.

WELL-LOCATED, TRUCK FRIENDLY SITES.

You'll find Santmyer Commercial Fueling sites just off main corridors in Wooster, Canton, Millersburg, Ashland, and Mount Vernon. Cars, box trucks, and even the biggest of rigs will have plenty of room to turn or move around at Santmyer Commercial Fueling sites. Our well-lit and easily accessible fueling sites offer quality gasoline and on-road and off-road diesel fuels. You'll love our diesel fuels — they're treated with a premium additive that will allow your fleet to operate at peak efficiency in all types of weather. See Santmyer Commercial Fueling locations/map inside this brochure.

GET IT AND GO.

Most Santmyer Commercial Fueling sites are fuel-only sites, so time and productivity won't be lost waiting for others to buy non-fuel items. Automated pumps operate 24/7 and deliver at top speed to get you back on the road as quickly as possible.
